AARYAN EXPORTS

Aaryan Exports is a renowned name in the business of Textiles having a vast experience and knowledge of its products. After capturing its local market we started into export business in the year 2005 by our CEO Sourabh Nevatia 20 years ago.

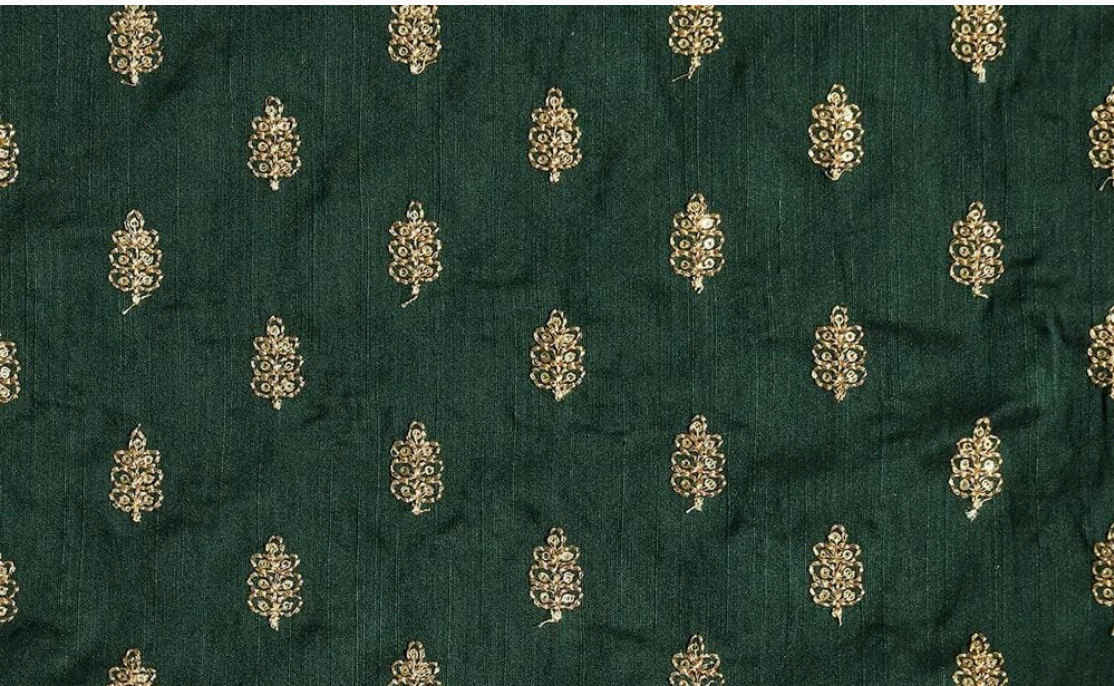

Since then our business has had a high growth and high demand of our products not only in our local market but also in foreign market.

We specialise in manufacturing and producing textiles of all kinds of silks, plain and hand embroideries used specially for ladies fashion and bridal wear garments. We are working with many fashion designers who are producing garments for woman haute couture. Having established manufacturing units in both the handcrafted and automated fabrication sectors, we create a wide range of products that complement both classic and contemporary lifestyles. We also customise designs as per the requirement of our customers.
